DRINK & wear

Unique. Unlimited. Useful.

Expert in drinkware branding

Do you want to increase brand recognition in a unique way?

With the help of DRINKwear, you will create an **amazing gift** that, thanks to the perfect fit and excellent branding, **will elevate the promoted brand above the competition.**

DRINKwear offers unlimited branding possibilities and at the same time a **guarantee of innovation, quality, durability and compliance with the eco policy.**

Move into the colorful world of one-of-a-kind drinkwares and dress the brand in your own unique way.

Unique

DW

Dress your brand in a unique way.

DRINKwear is an invitation to create an **unique brand image** that will distinguish it from others thanks to **remarkable gifts**.

We make the brand more attractive, **unique** in value and **extraordinary identity** that attracts customers' attention and remains in their memory for a long time.

Additionally, you will find products that will perfectly match your target group and the planned campaign.

Unlimited

BMW

Unlimited color power!

Enter the colorful world of our drinkwares, where the power of energy, creativity and innovation provide unlimited branding possibilities.

Choose from a multitude of materials, shapes and colors. At DRINKwear, everyone will find something for themselves..

Useful

DW

Surprisingly useful!

You can't imagine a day without coffee or tea, and you are looking for an elegant and **durable replacement** for plastic and paper cups?

Thanks to durable and resistant decorations, DRINKwear products are **reusable**, and you can also take thermal and mobile mugs always with you...

Choosing a reusable mug can be a great idea not only for an **ecological, personalized gift that ensures long-term use**, but also for effective brand promotion.

DRINKwear

Porceline

collection

The largest collection of the DRINKwear brand tempts with an impressive assortment, various shapes and virtually unlimited decoration possibilities.

DRINKwear

Galaxy

collection

The Galaxy collection of thermal mugs is a perfect combination of modern design, comfort of use and wide branding possibilities. They not only keep drinks at the right temperature, but also increase brand recognition through individual and unique branding.

DRINK *Wear*

Glass

collection

The wide range of glass from the Glass collection surprises with its diversity and interesting shapes. You can choose from various models of glasses and mugs, which you can customize in many ways.

DRINK *Wear*

Mood

collection

Completely new on the market - unique sets that give the word „gift” a completely new dimension! Express your creativity and emotions by choosing our unique proposals that will emphasize the uniqueness of the moment and strengthen positive associations with the brand.

Effectiveness

Promote your brand with
an effective gift

Numerous studies show that one of the most effective ways to promote a brand are promotional gifts, and one of **the most popular, functional and attractive gifts are mugs.***

The products created by the DRINKwear team carry emotions related to the brand, continue the story about it and evoke positive associations with every sip.

* Research by The Institute of Promotional Marketing (<https://theipm.org.uk/>)

Eco

We care about our planet and future generations.

Our company strives for sustainable production, using ecological materials and production processes that minimize negative impact on the environment.

Our products are **reusable** and the decorations applied to them are durable, which helps reduce waste.

Our thermal and mobile mugs you can always take it with you, what eliminates the need to use from disposable cups.

All our products are:

- “eco-friendly”
- “reusable”
- “long-lasting” with dishwasher-resistant prints

Choosing a reusable mug can be a great idea not only for an ecological, interesting, personalized gift that ensures long-term use, but also for effective brand promotion.

Sky is the limit...

DRINKwear is an undisputed wealth of products made of ceramics, porcelain, glass and metal in various shapes and styles.

Our **unique and fashionable styles** perfectly support **brand recognition**.

DRINKwear's offer includes, interesting ceramic, noble porcelain, refined glass and eye-catching metal thermal products. Additionally, every year we enrich our offer with unique and carefully selected new products.

Now you can easily choose a gift that **perfectly suits the recipient**.

Subtle touch of elegance

If you are looking for an original effect, now you can get an extremely stylish mug with a luxurious surface. The satin-touch surface brings to mind the exclusivity of the brand and perfectly emphasizes its prestige.
